She was awarded a special prize in the famous Monte Carlo circus festival and in the International Circus Festival of Moscow. She has also won many titles in international Pole Dance competitions. She has also strong experience as a speaker and show host.

CHRISTIAN FERNANDEZ

Spanish Circus artist and many time Pole Sports national winner of Spain. He is a silver medallist in the Pole Sports World Championships 2018 in doubles category

POLE DANCE

You can ask for a singles performance either from Salima or Christian, or a doubles performance. The prop is a self-standing portable pole that does not need any rigging points or extra equipments. The minimum height needed is 3 meters and the straight and stable floor surface 4 meters to 4 meters approximately.

AERIAL HOOP OR LOLLIPOP

Aerial hoop is an aerial performance that needs a minimum of 4 meters height and 1 safe rigging point in the roof that holds for a minimum of 1000kg. Lollipop is a good option for spaces that do not have aerial rigging possibility. It is a combination of pole dancing and aerial hoop. The hoop is placed on top of the pole and is self-standing and portable. The minimum height for the lollipop is 3,75m.

STATIC TRAPEZE

You can ask for a singles performance either from Salima or Christian, or a doubles performance. Trapeze is an aerial performance that needs a minimum of 5 meters of height and 2 safe rigging points in the roof that holds for a minimum of 1000kg. Dance trapeze can be performed with only 1 rigging point and 4 meters of height.

AERIAL TISSUE

Aerial tissue is an elegant and spectacular aerial performance. A minimum of 6 meters height is needed and 1 rigging point in the roof that holds a minimum of 1000kg.

AERIAL ROPE

Aerial rope is a dynamic and spectacular aerial performance. A minimum of 6 meters height is needed and 1 rigging point in the roof that holds a minimum of 1000kg.

AERIAL NET

Aerial net is an interesting and visual aerial performance with a fishnet type prop. A minimum of 5 meters height is needed and 1 rigging point in the roof that holds a minimum of 1000kg.

HOLA HOOPS

Hola hoops is an entertaining and colorful performance. In the great final over 30 hola hoops will be spinned at once. No special installation is needed from the venue. Simply a minimum of 3 meters height and an empty and straight floor space of 3 meters to 3 meters approximately.

FIRE

Fire spinning, fire juggling, fire hola hoops, fire eating, fire spitting to color your outdoor event. Inside venue has to have proper permissions to use fire

EVENT HOST

Saima has lots of experience hosting events. She can be the speaker of your event in Finnish, English, Russian or Spanish. Maybe she will surprise your audience with a special circus twist- a small fire eating or a quick spin of hola hoops. As a former Miss Finland (Suomen Neito 2000) she brings to your event the right kind of elegance.

AERIAL STRUCTURE

Do you have an event but don't know how to make an aerial acrobatics performance possible? We can bring a whole aerial set up with us. It is 100% autonomous and do not need any fixing or rigging from outside. Ask for more information and exact dimensions.

IS THERE SOMETHING ELSE THAT YOU NEED, BUT WE FORGOT TO MENTION? JUST ASK! WE CAN PROBABLY DO THAT AS WELL...
